CONSULTING EXPERIENCE

Leeds Consulting Group (LCG)

February 2025-Present

VP of Membership - Senior Analyst

Boulder, CO

- Authored a case interview and grading rubric adopted in candidate assessments to evaluate prospective members.
- Facilitated weekly meetings while coordinating communications across members, applicants, and external organizations.

Hyland Hills Project Manager

- Led a 4-person analyst team in a client engagement with Hyland Hills.
- Co-developed sustainability driven business solutions projected to improve profitability by \$6.42M over ten years.

Young Americans Bank (YAB) Consultant

- Consulted with Young Americans Bank, the world's only FDIC-insured bank exclusively for people under 21.
- Strengthened customer-pipeline retention through research, data analysis, and strategic recommendations.

Student Led Chess Association

August 2025-Present

Board Member - Finance and Technology Focus

National

- Developed nonprofit compliance expertise to advise the finance team on restoring SLCA's 501(c)(3) status, collaborating with cross-functional stakeholders despite limited prior nonprofit experience.

Capital One Consult for America Case Competition: Designed a product wireframe, conducted market research, and developed innovative business solutions for Capital One; outperformed 100+ teams nationwide to earn 3rd place.

Daniels Fund Business Ethics Debate - Competed against 40 competitors in debates on stakeholder centered business ethics; advanced to finals alongside two senior competitors, including CU's graduation speaker.

RELEVANT EXPERIENCE

Benson Center

August 2025-Present

Fellow

Boulder, CO

- Engaged in cross-perspective dialogue and intellectual discourse, refining my ability to translate complex philosophical, political, and cultural ideas into clear arguments and frameworks usable in stakeholder settings.

Hike for Help (H4H)

March 2025-Present

Community Outreach Coordinator

Boulder, CO

- Secured 6 companies and 1 school's partnership to host H4H's, a CU non-profit, annual shoe drive and expand donations.

Rocky Mountain Fresh

July 2023-Present

Sales Associate

Boulder, CO

- Enhanced customer experience through tailored product recommendations and effective upselling, directly contributing to multiple record-setting sales days.

Iron Bear Trailer

May 2025-August 2025

Warehouse Operations and Fulfillment

Denver, CO

- Collaborated with teammates from diverse cultural and socioeconomic backgrounds to build trust, strengthen communication, and help achieve the company's largest single-day order fulfillment.

Threshold

October 2024-April 2025

Software Developer Intern

Boulder, CO

- Partnered with the founder/CEO to translate complex technical ideas into user-focused designs, personally developing a new product and User Interface (UI) now deployed for customers.

Innovation Center Leadership Team (ICLT)

January 2022-June 2024

Founder and President

Longmont, CO

- Secured \$10,000+ in annual funding by crafting and pitching a strategic project proposal for the creation of the ICLT.
- Organized collaborative events that fostered inclusive dialogue, leadership growth, and creative problem-solving skills.

Storm Guard Roofing and Construction

May 2023-June 2023

Sales Associate

Weld County, CO

- Strengthened grit and resolve through door-to-door sales, converting the most leads into inspections in a single day that year.

Anark

October 2022-June 2023

Quality Assurance (QA) Engineer Intern

Longmont, CO

- Collaborated with other QA engineers to identify 100+ software issues, personally uncovering a high level bug that could shut down Anark's servers, ensuring a stable, reliable release.
